APPLICATION

Industrial Lighting

MANUFACTURER

LUXIONA

COUNTRY OF ORIGIN

SPAIN

ARIES

High efficiency industrial luminaire of the TROL family from Luxiona group. Aries luminaire sets an advanced and innovative thermal balance system through passive diffusion with constant color temperature at 4000K. Ideal for large facilities such as: general lighting of warehouses, supermarkets, exhibition stands and other indoor industrial spaces. It is designed for installation on a roof. The body of the luminaire is made of cast aluminum.
