C-LINE CORNER

The PROLED aluminium profiles are the perfect addition to the PROLED FLEX STRIPS. The FLEX STRIPS can be glued into the profile. The aluminum profiles are in anodized aluminium or white RAL 9016 available. The profile can simply be sawn to any required length or ordered in the required custom length. Different versions of Aluminium profiles and different shapes of plastic covers are available. In addition we offer a wide range of accessories. C-LINE CORNER Three different shapes of high quality plastic covers are available: triangle, trapezium and oval Each of the three shapes are available in crystal clear, frost (semitransparent) and milky frost (opal). TRIANGLE and OVAL COVER are also available in black.
