CANILO PLUS

The suspended luminaire CANILO PLUS adds a further power package to the CANILO luminaire family. With up to 6000 lumens it is the ideal choice for rooms with high ceilings or areas in which strong accents and a dramatic interplay of light and shadows are desired. The adjustment of the pendant length guarantees simple mounting.

CANILO PLUS suspended luminaire is a power package with up to 6,000 lumens. Together with the track lights CANILO and CANILO PLUS as well as with the CANILO suspended luminaire the new luminaire provides a variety of possible combinations with a uniform look.

CANILO PLUS fits outstandingly into shop designs in the areas of food, fashion and shop. Whether fresh food counters, fruit and vegetable departments, entrance areas, counters or presentation tables: appropriate special light colours ensure the correct ambiance and show goods to their advantage. For different application areas there are three fastening variants available.
