ESSENCE

The concept of linear lighting Essence is based on minimalism and the flexibility of a design to achieve a complete harmony in the space. Luminaire designed to take advantage of their small dimensions for a compact result with aesthetics. Profile made of extruded aluminum with translucent polyurethane diffuser. The luminaire offers various installation possibilities: With hanging from the ceiling, with mounting on the ceiling surface and mounting on a wall (only for the 40W luminaire). The suspensions are not included and must be ordered separately as accessories.
