

**LUMINAIRE TYPE**  
INDUSTRIAL

- System Performance:** 30W
- Temperature :** 4000K
- Luminous Flux:** 3897lm
- Luminous Efficiency:** 111.3 lm/W
- CRI:** >80
- Dimensions:** W: 99mm x L: 1500mm x H: 70mm
- Beam:** Wideflood - 90° ÷ 120°
- Gear:** ON/OFF , DALI , 1-10V Dimmable
- Voltage - Frequency:** 220..240 V, 50..60 Hz
- Protection Class:** IP65, IK10

**NIX 1500**

Nix is a range of waterproof LED shades with multiple installation possibilities, to be placed on walls and ceilings or suspended. These luminaires are specifically indicated to light up premises where a high environmental protection is necessary: high levels of humidity, pollution and impact risks. Assembly: surface mounted on ceiling. The body material is polycarbonate. Colour - RAL 9006 (grey, metallic, fine structure).
