LUMINAIRE TYPE
CEILING

System Performance:	40W
Temperature :	3000K
Luminous Flux:	5878 lm
CRI:	80
Dimensions:	D: 620mm H: 091mm
Luminous Efficiency:	147 lm/W
Colour:	White
Voltage - Frequency:	230V 50/60Hz
Driver:	Dali
Protection Class:	IP50, IK07

Glare rating according to UGR

ODELIA

The haute couture of surface luminaires has arrived!

Whether as a pendant, surface-mounted or wall-mounted luminaire, odelia always impresses with its pure elegance. With its tasteful design frame and simple housing odelia can bring thousands of colour combinations to life and set special accents with the bi-colour option.

With high energy efficiency, the optional microprismatic cover offers optimal visual comfort. In addition, the satiné version with, for example, a direct/indirect light beam creates a cosy and inviting atmosphere.
