

## LUMINAIRE TYPE SUSPENDED

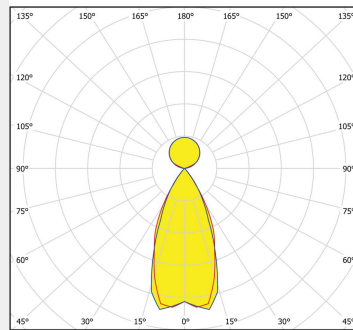

<b>System Performance:</b>	52W
<b>Temperature :</b>	4000K
<b>Luminous Flux:</b>	4610
<b>Luminous Efficiency:</b>	88.6 lm/W
<b>CRI:</b>	>90
<b>Lifespan:</b>	60000 hr
<b>Protection Class:</b>	IP20, I
<b>Colours:</b>	Black, White, Silver
<b>Dimensions:</b>	1457 or 3258x35x035 mm
<b>Weight:</b>	1.7 kg
<b>Suspension Height:</b>	1457mm

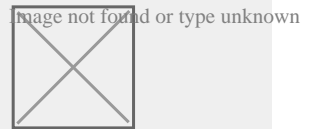

## DETAILS

### APPLICATION

Interior & Architect Lighting

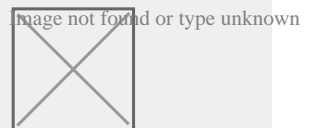

### MANUFACTURER

### COUNTRY OF ORIGIN:

**AUSTRIA**

## p.thirty-OFFICE

Superslim high-class office profile luminaire with LEDs, constructed out of an extruded aluminium section designed for standardized workplaces, perfect for desks 160 x 80 cm, with a fine structure powder coating in matte white 'RAL9016' for pendant mounting, designed for direct-indirect light emission.

An indirect cover made of transparent polycarbonate is available as an accessory; its use (optional) influences the light distribution and reduces luminous flux indirectly by 5.9 %.

On request available with emergency lighting for 3h.
