

System Performance: 33W
Temperature : 2700K
Luminous Flux: 4200 lm
CRI: 80
Luminous Efficiency: 127 lm/W
Voltage - Frequency: 220-240V - 50/60 Hz
Protection Class: IP20, IP44, II, IK03
Colour: White RAL9016
Dimensions: 595 x 595 x 34 mm

VALINEO

The perfect project solution for planar office light: Valineo LED scores points with specification-relevant parameters such as energy efficiency and service life, and with its simple installation is also ideal for use in refurbishment projects – also usually without replanning thanks to its high luminous flux of 4.250 lm.
