

**System Performance:** 33W  
**Temperature :** 2700K  
**Luminous Flux:** 4200 lm  
**CRI:** 80  
**Luminous Efficiency:** 127 lm/W  
**Voltage - Frequency:** 220-240V - 50/60 Hz  
**Protection Class:** IP20, IP44, II, IK03  
**Colour:** White RAL9016  
**Dimensions:** 595 x 595 x 34 mm

## VALINEO

The perfect project solution for planar office light: Valineo LED scores points with specification-relevant parameters such as energy efficiency and service life, and with its simple installation is also ideal for use in refurbishment projects – also usually without replanning thanks to its high luminous flux of 4.250 lm.

For ceiling installations the [Siella frame](#) is required
